

Institute of World Culture

Developing Deep Democracy

Seminar: Saturday, September 22, 2007

2:00 – 5:00 pm

Concord House, 1407 Chapala St, Santa Barbara, CA

Presenters: Drs. Philip Grant and Maurice Bisheff

A panel of political thinkers led by Professors Philip Grant and Maurice Bisheff will explore how individuals and communities can develop more ethical and sustainable ways of thinking and thereby create a richer civic life that fulfills the ideals of democracy. Historical and current examples will be presented with ample time for discussion. Contact Maurice Bisheff at 455-9552 or maurice@west.net for more information.
