

Mahatma Gandhi

60 Years Later...

A Commemorative Dialogue

Gandhi was
“an inspiring example of a
genuine inter-faith and
inter-civilizational
dialogue...”

For Gandhi, rational
discussion was not just
an exchange of arguments
but a process
of deepening and expanding
the consciousness
of the participants.
When it was conducted in a
proper spirit,
those involved reconstituted
each other’s being and
were reborn
as a result of the
encounter.”
