**Concord House, 1407 Chapala St, Santa Barbara**

A historic struggle by Mexican-American mine workers for fair wages and justice turns into a larger quest for American ideals of freedom, equality and self-definition. *Salt of the Earth* is an American drama film written by Michael Wilson, directed by Herbert J. Biberman, and produced by Paul Jarrico.

*"No American film is more inspiring and emotionally satisfying than this remarkable 1954 film." – Danny Peary*
