**Seminar: Saturday, March 21, 2009  
2:00 – 5:00 pm**

**Concord House, 1407 Chapala St, Santa Barbara**

**Presenter: Sherry L. Ackerman**

Drawing from her recently published book, *Behind the Looking Glass*, Dr. Ackerman will offer an interpretation of Lewis Carroll's personal journey from the world of theological belief into a wonderland created by imaginative fiction, yet filled with philosophical signposts. The Orphic, Eleusian and neo-Platonic symbolism that influenced Carroll's stories will be discussed.
